HOW TO FIND US

Worcestershire's Vale & Spa is the ideal destination no matter where you are located, with transport routes from anywhere in the country. The M5, M40, M42 and M50 motorways provide fantastic access to the area, so there's no reason why you can't enjoy everything it has to offer.

Each town has it's own railway station whilst the introduction of the Worcestershire Parkway station (situated between Pershore and Worcester) opens up opportunities for Western England and South Wales via Cross Country and GWR.

With a wide range of bus services linking the whole of the area, visit www.valeandspa.co.uk/how-to-find-us to help plan your visit.

BROADWAY

Broadway's unique location makes it the perfect base to visit Worcestershire's Vale & Spa. Home to one of the longest high streets in England, with horse chestnut trees and a mixture of period houses and picturesque honey-coloured Cotswold stone cottages, it is often referred to as "The Show Village of England". A visit to this delightful beauty spot is a MUST.

The village has an interesting artistic heritage which includes well known artists, writers and performing artists such as William Morris, John Singer Sargent, Capability Brown, J. M. Barrie and designer Gordon Russell.

Providing an array of attractions including Broadway Tower, Broadway Museum and Art Gallery and the Gordon Russell Design Museum, this "Jewel of the Cotswolds" is a perfect spot for a relaxing and entertaining short break.

DROITWICH SPA

Droitwich Spa is a town of great charm and offers visitors an abundance of things to do and places to visit. It has been the site of a settled community for over 2,000 years and owes its existence to the natural brine springs that emanate from beds of pure rock salt 200ft below the ground. Its proximity to the M5 and M42 makes it an ideal centre from which to explore the area.

Droitwich Spa's distinctive heritage is celebrated throughout the year, with the St Richard's Canal Festival paying homage to the significance of Richard de Wyche and the Droitwich Barge Canal; whilst Droitwich Spa's most famous commodity, salt, can be experienced at the town's Food & Drink Festival and Saltfest.

Other leisure activities available in and around the town include guided walks, an open-air lido and two award-winning parks. The Droitwich Canal network is a haven for walkers, cyclists and nature lovers. For those who love a retail experience, look no further than the wealth of independent shops and markets that take place on a regular basis.

EVESHAM

At the heart of the horticultural Vale, the historic market town of Evesham is set in the loop of the River Avon where fishing and boating are popular pastimes and also the foundation of admired events in the town; a nationally renowned angling festival, the colourful River Festival, the Battle of Evesham, and the exciting rowing regattas that take place throughout the year.

Evesham is an ideal base to tour Worcestershire's Vale & Spa and is easily accessible from anywhere in the country with its extensive links by road and rail. The site of the bloodiest battle in history - the Battle of Evesham in 1265, the start of the famous Spring Blossom Trail and the home to the much sought after Vale of Evesham asparagus - which has now gained PGI European protected food name status - are all magnificently depicted in the town's Almonry Museum and Tourist Information Centre.

Shoppers are well catered for in and around the town with a range of independent traders, outdoor markets and with something for all the family - The Valley, a shopping experience with a difference, located off the A46.

PERSHORE

Pershore is a small but thriving, picturesque Georgian market town situated on the banks of Shakespeare's River Avon. Renowned for its association with the horticultural Vale of Evesham and its famous Plum Festival, the town is also legendary for its beautiful 13th century Norman Abbey that sits majestically within the award-winning Abbey Park.

Pershore will entice you back time after time with its wealth of unique independent shops, quality restaurants, pubs and cafés serving up locally sourced produce. Events for all the family take place in the town throughout the year with a celebration of food, music and community fun to name just a few. Number 8 Community Arts Centre is the hub of the town as far as entertainment and the arts are concerned, and it's only a short drive to visit Tiddesley Wood and National Trust's Croome just out of the town.
